Strategic Vision Overview

Based upon [AB 2376 \(Huffman\)](#), the California Natural Resources Agency convened a cabinet-level executive committee to develop a strategic vision for the California Department of Fish and Game and the California Fish and Game Commission. To assist in developing the strategic vision, a blue ribbon citizen commission ([BRCC](#)) and a stakeholder advisory group ([SAG](#)) are advising and supporting the executive committee.

Recent Meeting Highlights - Productive Week Results in Fewer Future Meetings

BRCC/SAG Topic Discussion Meetings - Jan. 17-19

The BRCC and SAG held six discussion topic meetings the week of Jan. 16. All meetings were very productive and focused on potential recommendations for an interim strategic vision. During these meetings, members of the SAG discussed science, compliance/stewardship, statutes and regulations, governance, funding and common themes, with guidance from BRCC members and continued input from DFG employees. The outcomes of the discussion topic meetings were used as a starting point of discussion for the Jan. 20 meeting.

BRCC and SAG Meeting - Jan. 20

The BRCC and SAG met on Jan. 20 in Sacramento, and via teleconference and WebEx to discuss the outcomes of the Jan. 17-19 discussion topic meetings, identify those potential recommendations that were ready to be refined

for possible inclusion in a suite of recommendations in February, and discuss other potential recommendations that to date had not yet been discussed in detail. The meeting was very productive, and members volunteered to do additional refinement work as homework through Jan. 27, at which time staff will compile the suggestions and make them available on the strategic vision website prior to the Feb. 3 BRCC and SAG meeting. As a result of this progress, meetings previously scheduled for Jan. 24-26 were cancelled.

Next Steps

As the CFWSV Project moves forward, BRCC and SAG members will confirm the recommended elements of an interim strategic vision and specific actions that can be recommended to the CFWSV Executive Committee for potential ways to achieve the interim strategic vision.

The next BRCC and SAG meeting is Feb. 3 when homework assignments from the topic discussion meetings will be discussed and SAG recommendations are expected to be finalized. An additional BRCC meeting is scheduled for Feb. 6, when BRCC members will finalize their recommendations for presentation to the CFWSV Executive Committee on Feb. 16.
