These workshops will delve more deeply into the four topics to help develop additional potential recommendations for the California Fish and Wildlife Strategic Vision; the additional recommendations are expected to be completed by the end of March.

The workshops are open to the public; public participation is welcome in person, via webinar or via teleconference. Each workshop may last up to three hours. A quorum of blue ribbon citizen commission and stakeholder advisory group members is not expected to attend

The workshops will be simultaneously webcast by WebEx for viewing/listening and public participation; participation is also available via teleconference. The meeting video will be archived on the strategic vision website (vision.ca.gov). To watch the webcast on the day of the workshop, visit the WebEx links above.

Workshop agenda (the same for all four workshops). The order of agenda items is subject to change.

1. Welcome, Introductions and Opening Remarks
2. Public Comment
3. Discussion of Potential Recommendations from the Blue Ribbon Citizen Commission and Stakeholder Advisory Group
4. Public Comment
5. Adjourn

Any person who wishes to request this notice or other meeting materials in an alternative format, requires translation services, or needs any disability-related modification or accommodation, including auxiliary aids or services, which would enable that person to participate at the meeting, must make that request at least five (5) days prior to the workshop date by contacting Melissa Miller-Henson.
